St Peters and St Andrews Walk. (4 miles/ 1 ½ hours)

Starting from the Gate to St Peters Church, facing the Church, walk through the Churchyard to the far side into School Lane. Proceed forward on School Lane turning left at the end of a terrace of bungalows on your left. When you reach the next bend right, walk straight ahead into what can sometimes be an overgrown footpath. Be aware of a ditch on your left.

Follow the path through to emerge between barns on your right and houses on your left where you will meet Chalk Road. At the road walk straight ahead, being mindful of vehicle movement, into Pycroft Lane. At the end of the Lane walk on into the pathway in the field until you reach the roadway at the far end. This is Bustards Lane.

Turn left onto the lane and follow until you reach a left-hand bend. Bear left and walk on, still on Bustards Lane until you meet the junction with Market Lane. Cross the road, again mindful of passing traffic, and continue ahead on a track between Broad View and Old Farm. Walk forward until you reach an earth bridge over a ditch. Take the field edge path on your left to walk toward a thicket of trees in the distance keeping the ditch on your left.

You will eventually see housing to your left in the distance, follow the path forward and you should now see a house ahead with out buildings, walk towards this on the pathway going between a gap between bushes. Bear left on pathway and walk down with a high fence with double gates on your left, this is Gothic House. Eventually you will emerge from Kirkfield Lane onto Wisbech Road opposite Chalk Road and what was once the Princess Victoria Public House.

Turn right onto Wisbech Road crossing Road by bus shelter onto the pavement and proceed to enter the second lane on your left leading to the broken gateposts and the Church of St Andrews.

Take the path through the Churchyard and turn left at the end of the pathway onto Kirk Road, please notice the wonderful Village sign on your right. Pass a terrace of bungalows on your right and housing on your left, and walk past the Old School house on your left. Stay right of the school gates on a metalled pathway and enter The Chase, crossing Kirtons Close, Summer Close and Springfield Road.

Here, walk forward between Andrew Curton School on your left and housing on your right. This pathway passes the Community Centre and playing fields on your left and Old Manor Hall farm on your left further along opposite The Hall on your right to emerge on Church Road next to the Parish Hall on your right. Cross the road to the Church and you have completed this walk.
