

This small not for profit nationwide Christian charitable organisation has been set up to help protect the vulnerable 'Hidden' victims of sexual abuse.

We intend to pursue an amendment in law, which will entitle the genuine concerns of a third party to legally expose a suspected sexual predator for intensive questioning, who they believe has meticulously groomed a vulnerable loved one to unquestioningly accept abuse.

Should you be a parent, sibling, or close friend etc. with anxious concerns for a vulnerable adult who you believe has been groomed by a sexual abuser, please contact CAAA in confidence.
