November / Early December 2021 newsletter / report.

Dear Constituents,

Drafting this report during late October, I hope this finds you all well, I would like to thank all of you who have sent me messages following my second Hip replacement. I am taking a little longer to heal this time, but I am eight years older. I have missed three Parish Council meetings during this time, one whilst I was in hospital and the other two, during the week I came home. But I am now able to visit Parish Council meetings thanks to Georgina for driving me around, hopefully I will be back driving by mid-November.

I missed one Full Council Meeting in King's Lynn Town Hall whilst recovering from my operation.

Highways are again at the top of my list, I have had several emails from constituents complaining about road conditions, I continue to fight our corner for more road maintenance in our part of Norfolk, I continually remind my colleagues in County Hall that Norfolk stretches further west than Swaffham.

I am in continuous contact with the Internal Drainage Board regarding drainage about flooding issues and blocked IDB maintained drains. This will be more in focus as autumn brings more rain. I have missed one Drainage Board meeting whilst recovering from my operation.

I would like to thank all the volunteers who kindly offered to lay my wreaths on Remembrance Sunday. It would be impossible for me to attend all seven parishes on Remembrance Sunday.

Meetings attended – October 2021

I have received phone calls and emails from constituents with concerns on many subjects, which I have dealt with in a timely manner.

Please contact me if I can help you in anyway, either as your Borough or County Councillor.

Kind regards,

Julian.
